

1959 Viking Severn Valley – SN V1289

[EDIT]

This is an ex-Brian Haskell team bike. The dating is a bit uncertain and subject to revision – based roughly on the frame number and relative to the ex-Tom Oldfield bicycle shown elsewhere. The owner obtained the frame from Brian Haskell and built it up with appropriate period equipment similar to that shown in racing photos of Brian Haskell thought it does not necessarily represent an accurate representation of a team specification bike:
